About Me

A web developer and designer skilled in developing a responsive website and high-quality design made at a professional level. Expertise in building user flows, site map, wireframes and creating both low-fidelity and high-fidelity interactive prototype using figma. I am naturally curious and constantly work to improve my skills.

Skills

HTML	<div><div></div></div>
CSS	<div><div></div></div>
Sass	<div><div></div></div>
Bootstrap	<div><div></div></div>
Figma	<div><div></div></div>
Illustrator	<div><div></div></div>
Photoshop	<div><div></div></div>
